## INSIDE PANEL

### SAFETY INSTRUCTIONS

- DO NOT USE if glass is chipped, cracked or broken.
- Keep out of reach of children.
- Carefully check handle before filling pot.
- Test by filling with water and pouring out through spout.
- Wash before and after each use.
- Always use a POT HOLDER or OVEN MITT. Handle and knob may become HOT with use.
- Glass Teapot IS stovetop, microwave and dishwasher safe.
- Do not heat on a temperature setting higher than medium.
- Teapot should not be placed on a element or burner larger than the bottom of the teapot.
- Do not allow flames to extend up the sides of the teapot.
- Do not place empty teapot over heat.
- Never allow teapot to boil dry.
- Caution is required when handling hot water.
- It is recommended to use a pot holder while pouring hot water in the teapot.

### LOOSE LEAF TEA BREWING INSTRUCTIONS

1

Place loose leaf tea (recommended) or tea bag(s) into loose leaf tea infuser.

2

Pour boiling water into tea infuser over the tea. Place lid on teapot and allow to steep for 3-5 minutes, to taste.

3

Slowly remove infuser from teapot and enjoy your perfectly brewed tea!

### FLOWERING TEA BREWING INSTRUCTIONS

1

Place one tea flower in the glass teapot.

2

Pour boiling water over tea flower and let it unfurl into an exquisite bloom. Place lid on teapot and allow to steep for 3-5 minutes, to taste.

3

Stir gently and enjoy your perfectly brewed tea!
